

COVID RISK ASSESSMENT FOR SEPTEMBER 2020

- This risk assessment template is intended to support schools in their decision-making process and enable them to assess their site and activities as required by the current government guidance.
- This assessment is based on the expectations set out in the Government guidance for schools Guidance for full opening from Sept 2020 <https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/guidance-for-full-opening-schools> but must be adapted in order to give a clear narrative on the specific controls being put in place within your school to manage the risk from coronavirus.

As with other areas of risk school employers and leaders are required to reduce risk as far as is reasonably practicable, recognising that it is not possible to completely eliminate the risk of coronavirus.

- During this evolving situation please monitor and follow government guidance, further reviews and updates to the template will be made following any significant updates.
- In addition you should continue to review your controls and activities and update the risk assessment to reflect any changes in practice.

Notes on completion:

- This risk assessment should be completed by the Head and SLT in consultation with staff.

Consultation with employees is a legal duty and involving staff in the planning and assessment process will aid in your controls being adopted and in easing any anxiety amongst staff.

- Where you have a Union H&S representative then make sure you consult with them as part of the risk assessment process.
- You will need to review and tailor the contents of this generic risk assessment to meet your own individual circumstances, actions determined as required but not yet in place should be moved from the 'What are you already doing?' column to the "What further action is necessary?" column. Or alternative and equivalent control measures which you have put in place added.
- Ensure this document is made **specific** to your site. Record any other **significant** findings and actions required to reduce risk further where existing controls are insufficient, assigning these actions to an appropriate manager or member of staff.
- There may also be a requirement to review other existing work activity risk assessments for your school and amend these (if you have not already done so) to include the management of the risks associated with COVID-19.

Share the risk assessment

Once the assessment is completed **share** this with all staff, make sure that you brief all temporary staff, peripatetic and supply teachers, visiting coaches etc. on your expectations on managing risk.

- You may choose to publish the risk assessment on your website to provide a clear transparent approach to the wider school community.

Monitor and review

As the school returns continue to review how staff and students adopt to your controls, there will almost certainly be areas where the risk assessment will need review to reflect additional controls or risks which only became apparent as your operational activities and curriculum are delivered.

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
		<p>Clear message sent to parents that students should not be sent into school if unwell for both Covid-19 and any other illnesses/symptoms.</p> <p>Staff Wider government advice remains to work from home where possible. Limited school roles where this will be the case, roles which are able to do so effectively will be considered.</p> <p>Individuals classed as clinically vulnerable or extremely clinically vulnerable to have a risk assessment undertaken on their role and ability to maintain social distancing. Consider if these staff are able to work remotely or in areas / roles where maintaining social distancing is easier.</p> <p>Any existing individual risk assessments to be reviewed. See COVID-19: guidance on shielding and protecting people defined on medical grounds as extremely vulnerable</p>	<p>Verbally shared with parents, reminders sent by email and website updated</p> <p>No staff working from home unless shielding</p> <p>Individual RAs undertaken and measures put in place to maintain social distancing</p> <p>Reviewed monthly</p>	<p>DN</p> <p>HN</p>	<p>During parent interviews</p> <p>1st week of term</p>	
School occupants coming into contact with those with Coronavirus symptoms	<p>Staff, Students / pupils / wider contacts</p> <p>Spread of COVID 19</p>	<p>School community clear on symptoms of coronavirus: high temperature (37.8 deg C or more), a new continuous cough or a loss of, or change, in their normal sense of taste or smell. Stay at home: guidance for households with possible or confirmed coronavirus (COVID-19) infection followed. These have been communicated to all.</p> <p>No symptomatic individuals to present on site.</p> <p>In the event of a suspected case whilst working on site Ensure SLT / Head are notified.</p> <p>Individual goes home immediately (if awaiting collection by their parent, isolate child in a room behind a closed door, or an area at least 2m away from others, open a window for ventilation) and self-isolate.</p> <p>School staff supervising the child while they await collection should wear PPE (a fluid resistant surgical mask, type IIR) if a distance of 2m cannot be maintained. If direct care (such as for a very young child or a child with complex needs) is required then staff giving care to wear a fluid resistant surgical mask (type IIR), disposable apron and gloves.</p> <p>Clear message to parents that if a student is unwell at school they are to be sent home or collected immediately.</p>	<p>Staff reminded at INSET day, regular email correspondence sent from Headteacher and SBM. Posters up around centre.</p> <p>Staff reminded to stay home if they are displaying symptoms and contact the Headteacher</p> <p>KS3 community room used as isolation room for students waiting to be collected</p> <p>Full PPE provided. A 2m distance will be maintained</p> <p>Guidance sent via email and on the centre website</p>	<p>DN/HN</p> <p>DN</p> <p>LG</p> <p>Admin Team</p>	<p>Weekly</p> <p>Ongoing</p>	

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
		<p>Anyone who has had contact with those with symptoms to wash hands thoroughly.</p> <p>All areas occupied and equipment used by the affected person are to be thoroughly cleaned and disinfected (see PHE cleaning advice https://www.gov.uk/government/publications/covid-19-decontamination-in-non-healthcare-settings)</p> <p>Testing Staff / pupils who develop symptoms should be tested. Testing is most sensitive within 3 days of symptoms developing. Guidelines on who can get tested and how to arrange for a test can be found in the COVID-19: getting tested guidance.</p> <p>Tests can be booked online through the NHS https://www.nhs.uk/conditions/coronavirus-covid-19/testing-and-tracing/</p> <p>By the autumn term, all schools will be provided with a small number of home testing kits which can be provided to parents/carers collecting a child who has developed symptoms at school, or staff who have developed symptoms at school, where providing one will significantly increase the likelihood of them getting tested.</p> <p>Positive case in school In the event of a positive case the local health protection team will be contacted and their advice followed. Public Health England East of England 0300 303 8537 opt 1 https://www.gov.uk/guidance/contacts-phe-health-protection-teams#east-of-england-hpt</p> <p>Records kept of pupils and staff in each group.</p> <p>A template letter will be provided to schools, on the advice of the health protection team, to send to parents and staff if needed.</p>	<p>Reminder posters throughout centre</p> <p>Cleaning box in each classroom and office</p> <p>Guidance on centre website.</p> <p>Testing kits available in the centre and SBM attended webinar on safe use</p> <p>Staff and pupils who are tested for Covid-19 to inform the school of result and date of test.</p> <p>National advice and roll out of kits expected by Autumn term</p>	<p>HN</p> <p>LG</p> <p>SBM</p>	<p>Summer holidays</p> <p>September</p> <p>September</p>	
General Transmission of COVID-19	Staff,	Welfare facilities are provided which contain suitable levels of soap and paper towels.	Stocks replenished daily	LG	Daily	

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
Ineffective hygiene protocols	Students / pupils / wider contacts Spread of COVID 19	<p>All persons to wash hands with soap regularly and thoroughly, for at least 20 seconds. Hand washing technique to be adopted as directed by NHS guidance posters in place to reinforce this.</p> <p>Alcohol hand sanitiser used to reduce congestion at toilets / where soap and water is not available. Review existing levels / location of hand sanitiser stations.</p> <p>Alcohol hand sanitiser provided at reception / entrance/exit points; student entrance /reception and should be used by all persons when entering/leaving.</p> <p>Additional hand sanitiser within classrooms where required e.g. for Early years children returning from the toilet where hand washing will not be as robust. Build use into routines staff and pupil routines e.g. on arrival, when returning from breaks, when changing rooms, before / after eating.</p> <p>Site staff to regularly clean the hand washing facilities and check consumables. Provide suitable and sufficient rubbish bins for hand towels with regular removal and disposal.</p> <p>Ensure adequate supplies of soap, hand sanitiser and paper towels and these should be securely stored.</p> <p>Catch it, kill it, bin it message reinforced. Tissues will be provided for classrooms. Staff to replenish as needed. Staff / students to use tissues when coughing or sneezing and then place the used tissue in the bin before washing hands. (lidded bins in classrooms / other locations for disposal of tissues and other waste)</p> <p>All persons are reminded to not touch their eyes, nose or mouth if their hands are not clean.</p>	<p>Staff and students to wash hands upon arrival and throughout the day</p> <p>All staff provided with sanitiser and available in every classroom</p> <p>Available and monitored by reception staff</p> <p>Sanitiser and wipes available in every classroom</p> <p>Cleaning schedule provided to staff with areas of responsibility</p> <p>Replenished regularly</p> <p>Posters displayed throughout centre. Tissues in classrooms and community areas</p>	<p>All staff</p> <p>LG</p> <p>Admin team</p> <p>LG</p> <p>All staff</p> <p>LG</p>	<p>Daily</p> <p>Daily</p> <p>Daily</p> <p>Ongoing</p>	
General Transmission of COVID-19 Ineffective cleaning	Staff, Students / pupils / wider contacts Spread of COVID 19	<p>Documented cleaning schedule in place.</p> <p>Enhanced cleaning schedule implemented throughout the site during school day, ensuring that frequent contact points, e.g. door handles, taps, flush handles, toilet door handles, bannisters, telephones, keyboards etc. are all cleaned and disinfected regularly.</p> <p>Shared areas and rooms that are used by different groups will require more frequent cleaning / cleaning between groups.</p>	<p>Note further guidance on general cleaning is expected by Public Health England before Autumn term</p> <p>Cleaning scheduled produced for staff</p>	<p>All staff and cleaning team</p>	<p>Daily</p>	

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
		<p>Where toilets are shared between different groups these must be cleaned regularly (focus on high contact surfaces) and the importance of thorough hand washing reinforced.</p> <p>Cleaning materials (e.g. disinfectant spray / wipes) available to staff. Manufacturer's instructions for dilution, application, PPE and contact times for all detergents and disinfectants to be followed.</p> <p>Only cleaning products supplied by the school / contract cleaners are to be used. School to obtain the risk assessment from contract cleaning staff for assurance on social distancing measures and their schedule / methods for cleaning the school site.</p> <p>Thorough cleaning of rooms at the end of the day.</p> <p>In the event of a suspected case / confirmed positive case on site For disinfection (e.g. following a suspected case) use a combined detergent disinfectant solution at a dilution of 1000 parts per million (ppm) available chlorine (av.cl.) or a neutral purpose detergent followed by disinfection (1000 ppm av.cl.). See PHE advice COVID-19: cleaning of non-healthcare settings guidance</p> <p>When cleaning a contaminated area: Cleaning staff to:</p> <ul style="list-style-type: none"> • Wear disposable gloves and apron • Wash their hands with soap and water once they remove their gloves and apron • Wear a fluid resistant surgical mask (Type IIR) if splashing likely • Hands should be washed with soap and water for 20 seconds after all PPE has been removed. <p>PPE to be double-bagged, then stored securely for 72 hours then thrown away in the regular rubbish after cleaning is finished.</p> <p>Any cloths and mop heads used must be disposed of as single use items.</p>	<p>Cleaning materials and PPE available throughout centre and regularly replenished</p> <p>RA submitted by Minster Cleaning</p> <p>Thorough cleaning routine provided daily</p>	<p>LG</p> <p>SBM</p> <p>Minster Cleaning/SBM</p>	<p>Monitored daily</p> <p>Daily</p>	
General Transmission of COVID-19	Staff,	Determine the nature and size of your distinct groups (bubbles) and document the approach being taken i.e. class bubbles, year group bubbles etc. (these	Ongoing monitoring of movement around school and			

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
<p>Minimising contact and Maintenance of social distancing</p>	<p>Students / pupils / wider contacts</p> <p>Spread of COVID 19</p>	<p>should be as small as practicable to reduce transmission risk whilst delivering the full curriculum).</p> <p>Groups to remain clear and consistent. Document how these groups will be kept apart from others.</p> <p>Limiting interaction between groups by: Staggering breaks and lunch; Minimise rooms / spaces being shared across groups; Cleaning shared spaces between use by different groups; No groups are coming together for assemblies, events / school fairs, school trips etc. Wider assemblies / collective worship conducted via video link. Continue to use social distancing wherever possible (more emphasis on this is likely with older children).</p> <p>Where staff move across groups hands to be washed / sanitised before and after and social distancing should be maintained, aim for 2m from other staff and adults as far as is reasonable. Ideally the teaching space should be 2m from pupils, where this is within 1m then change layout / increase space at the front of the class to attain 1m+.</p> <p>Keep space at front of class for SLT to enter and be present whilst maintaining social distancing.</p> <p>Staff to avoid close face to face contact and minimise time spent within 1 metre of anyone.</p> <p>Primary to remain in class groups for the majority of the time. Pupils sitting side by side rather than face to face</p> <p>Secondary Zone school assigning groups to different areas Groups to keep to their zoned area as far as possible, movement only to specialist rooms where necessary. Teachers move between classes wherever possible. Staggered timetable / timetable specialist rooms to keep groups apart; SLT supervise corridor / communal areas during changeover to facilitate.</p> <p>Extra-curricular clubs determine if these are essential and ensure delivery replicates school groups / bubbles.</p>	<p>ability of groups to remain apart.</p> <p>Each 'POD' to have break and lunch in classroom supervised by 2 staff members</p> <p>Students 'PODS' in different areas of the centre. Each room sanitised before next POD enters</p> <p>All staff have a PPE pack which includes hand sanitiser</p> <p>Furniture set up in rooms to allow for 2m distancing</p> <p>Face visors available if the need for one-to-one arises</p> <p>Staggered finish times implemented throughout centre Clubs limited to small numbers to allow for social distancing</p>	<p>LG</p>		

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
		<p>Hiring and lettings risk assessments on delivery required from providers, suspend if controls are not as robust as the school's / social distancing (2m) cannot be maintained.</p> <p>Review hirers activity against existing Government restrictions. See https://www.gov.uk/government/publications/further-businesses-and-premises-to-close/further-businesses-and-premises-to-close-guidance for details of business which remain closed (including as at July 7th this included indoor fitness and dance, indoor sports facilities and gyms).</p> <p>Breakfast and afterschool clubs – risk assessments on delivery required from providers, suspend if controls are not as robust as the school's.</p> <p>Provision should where possible replicate the groups (bubbles) in place during the school day to minimise potential transmission between the school's groups.</p> <p>Where such clubs bring children together across year groups review the space/ layout and maximum occupancy to achieve social distancing (ideally 2m between children from different groups).</p> <p>As with physical activity during the school day, contact sports should not take place.</p> <p>Offsite visits No overnight or overseas visits to be run.</p> <p>Any visits run will keep children within their consistent group. Re-assurance of COVID-secure measures in place at the destination to be undertaken as part of usual planning and offsite visit risk assessment</p> <p>Music Existing advice is to limit singing, playing wind or brass instruments etc. Even if at a distance. No playing / singing in groups of >15 (no larger school choirs / ensembles etc.). Consider if small groups in music lessons can take place outside / or with improved ventilation. Ensure 2m physical distancing for staff and pupils. No face to face contact (pupils back-to-back or side-to-side) No sharing of wind / brass instruments.</p> <p>PE / school sport PE subject lead / head of PE to review existing risk assessments and schemes of work to include management of COVID-19 risks.</p>	<p>Further DfE guidance on music delivery expected</p> <p>PE department issued with clearing products. All</p>	<p>LG/JA/ME</p>		

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
		<p>Pupils to be kept in consistent groups, sports equipment to be thoroughly cleaned between each use by different groups, and contact sports avoided.</p> <p>Outdoor sports prioritised where possible, and large indoor spaces used where it is not, maximising distancing between pupils. Build in time for handwashing / sanitising before / after lesson.</p> <p>See advice from Association for Physical Education</p> <p>https://www.gov.uk/government/publications/coronavirus-covid-19-guidance-on-phased-return-of-sport-and-recreation/guidance-for-providers-of-outdoor-facilities-on-the-phased-return-of-sport-and-recreation.</p>	<p>equipment cleaned after each use</p> <p>Students kept in groups for lessons, breaks and lunch</p> <p>All students sanitise hands before and after sport</p>	JA/ME		
Access to & egress from site	<p>Staff, Students / pupils / wider contacts</p> <p>Spread of COVID 19</p>	<p>Introduce staggered start and finish times to reduce congestion and contact at all times. Review access points, open up alternative gates. Allocate groups different times / entrance points. Communicate changes and allocated times to parents / pupils.</p> <p>Monitor site access points to facilitate social distancing – may need to change the number of access points, either increase to reduce congestion or decrease to enable monitoring.</p> <p>Discourage parents picking up their children from gathering at the school gates. Introduce visual aids to help parents socially distance / supervise entry and collection. Introduce floor markings to aid social distancing (e.g. tape or survey spray) where controlled queuing will be expected. Communicate expectations to parents.</p> <p>Consider one-way traffic through external doors to avoid face to face passing.</p> <p>Visitors Ensure all visitors / building users are aware of school's expectations. They must follow social distancing, hand washing / use of sanitiser on entry and adhere to any restrictions on accessing parts of the building stipulated by the school.</p>	<p>Finish times staggered across year groups Access points cleaned regularly</p> <p>Signage throughout centre to maintain social distancing</p> <p>Fob entry to gain access to site; monitored by reception staff</p> <p>RA shared with visitors. Handwashing and sanitizing on entry to the centre and throughout visit</p>	Admin team		

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
		<p>Volunteers, temporary / supply staff, sports coaches and other providers are briefed on school's arrangements for managing and minimising risk, including need to maintain distance (2m where possible) from other staff and pupils.</p> <p>Where visits can happen outside of school hours, they should. A record should be kept of all visitors to aid track and trace. Signage in reception regarding good hygiene. Use of Perspex screens for open receptions and tape / visual markers to reinforce social distancing (2 m where possible)</p> <p>Staff / pupils On arrival all staff and students to wash hands using nearest available toilet or use the sanitiser provided at their point of entry.</p>	<p>Phone numbers taken from all visitors and kept for two weeks Signage and floor markings throughout the centre</p> <p>Hands washed/sanitized and temperatures taken</p>			
<p>Contact points Equipment use printers, workstations, apparatus, machinery etc.</p>	<p>Staff, Students / pupils / wider contacts</p> <p>Spread of COVID 19</p>	<p>Parents to ensure children have their own water bottles in school to reduce contact with water fountains.</p> <p>Regularly clean and disinfect common contact surfaces in reception, office, access control etc. (screens, telephone handsets, desks).</p> <p>Staff and pupils have their own basic equipment (pens, pencils etc.) to avoid sharing.</p> <p>Activities and resources</p> <p>Classroom resources which are shared within groups (bubbles) are cleaned regularly; Those shared across groups must be cleaned between use</p> <p>Minimise all unnecessary sharing of resources, taking books home etc.</p> <p>For secondary science and DT also consider CLEAPPS advice (GL343 & GL 344) for suggested considerations in undertaking practical work.</p> <p>Use of shared resources between groups to be minimised, resources allocated to individual groups where possible. Otherwise all resources shared across groups must be cleaned before / after use e.g. library books, chrome books, laptops, I pads, PE equipment etc.) or 'quarantined' (for 48 hrs, 72 hours for plastic) before being used by another group.</p> <p>Build cleaning into end of lesson activity routines.</p>	<p>Plastic cups available</p> <p>Every room has a cleaning pack and is sanitized after each lesson or regular intervals throughout the day Student packs provided</p> <p>Antibacterial wipes in every classroom and office</p> <p>Contact areas and resources cleaned at the end of every lesson</p>	<p>All staff</p> <p>All staff</p> <p>Teaching staff</p>		

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
		<p>Swimming pools No hiring of swimming pools. Use of swimming pools (including school pools) still closed under Government restrictions. As of July 7th.</p> <p>Swimming pools & Hydrotherapy in SEND settings SEND schools and settings may consider the use of hydrotherapy facilities to support young people. Specific risk assessment required to mitigate the potential transmission of COVID-19, and this must include the pool side, use of equipment and changing areas, as well as the deployment of adults in a safe manner.</p> <p>See guidance document produced by ATACP (Aquatic therapy association of chartered Physios) on 10th June 2020. This must be referred to. This only applies to pools with a therapeutic use https://atacp.csp.org.uk/documents/atacp-recommendations-safe-aquatic-physiotherapy-practice-relation-covid-19-pandemic-0</p> <p>Break / Playgrounds Avoid any group activities that require pupils to be in close physical contact with each other. Limit group interaction by clearly zoning areas and staggering breaks. Use playing fields when weather permits. Brief all staff on expectations. Increased supervision to aid enforcement of social distancing as far as is reasonable. Outdoor play equipment to be cleaned between use by different groups.</p>				
Canteen use / lunchtimes	<p>Staff, Students / pupils / wider contacts</p> <p>Spread of COVID 19</p>	<p>Break times staggered to reduce congestion and contact between groups. Rota for use of dining areas</p> <p>Reinforce handwashing prior to eating food. Hand sanitiser should be available at the entrance of any room where people eat and should be used by all persons when entering and leaving the area.</p> <p>Canteen use Food operators continue to follow Food Standard Agency's (FSA) guidance on good hygiene practices in food preparation and their Hazard Analysis and Critical Control Point (HACCP) processes.</p> <p>Pupils to enter canteens in their allocated groups.</p>	<p>Break times to be held in classrooms</p> <p>Handwashing facilities and sanitizer available throughout the centre</p>			

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
		<p>Discuss provision and delivery with Catering provider. Consider change to meal provision, delivery of lunches to groups in classes etc. <i>(This could include a change in menu provision, amount of drinks and food in chillers and how to avoid touching neighbouring products, merits of self-service v service by catering staff. An increase in pre-prepared and wrapped food to reduce use of crockery, utensils etc.)</i></p> <p>Payments should be taken by contactless methods wherever possible. (Risks from fingerprint contact payment considered low if handwashing / sanitizing is enforced).</p> <p>Drinking water should be provided with enhanced cleaning measures of the tap mechanism introduced.</p> <p>All rubbish and waste should be put straight in the bin by the user and not left for someone else to clear up.</p> <p>All areas used for eating must be thoroughly cleaned between groups and at the end of each break and shift, including chairs, door handles, vending machines etc.</p>				
Transport / Travel off site	<p>Staff, Students / pupils / wider contacts</p> <p>Spread of COVID 19</p>	<p>Encourage walking / cycling to school Review travel plan</p> <p>Public transport All persons to limit their use of public transport and if this is not possible individuals should follow government advice on the wearing of face coverings. (mandated from 15th June) Guidance on how to wear and make a cloth face covering is available.</p> <p>Where business travel via car is required use private single occupancy where possible.</p> <p>Minibus use Used by those within same school group / bubble, reduce numbers on board to aid distancing. Vehicles to be cleaned after each group's use / between drivers etc. (sanitiser / disinfectant wipes to be available on the vehicle). Regular cleaning of vehicle contact points (handles, keys, display and controls etc.) – in-particular where vehicles are shared between drivers / groups. Use hand sanitizer on entering / leaving vehicle.</p>				

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
		Windows to be open for ventilation. Staff to wear disposable gloves when refueling.				
Contractors	Contractors, Staff, Students / pupils / wider contacts, Spread of COVID 19	All contractors will read and comply with signs in reception regarding good hygiene. Staff and contractors are to maintain a safe distance between themselves and others (2 metres where practical). All contractors are to wash their hands or use alcohol-based hand sanitiser upon entering the site. Agree approach to scheduled / ongoing building works. Where works can be conducted outside of the school day they should be. Site inductions are to be carried out following social distancing principles. School's to seek confirmation of the contractors method statement / risk assessment.				
Provision of first aid	Staff, Students / pupils / wider contacts Spread of COVID 19	It is accepted that social distancing cannot be maintained during the delivery of first aid, but physical contact should be kept to a minimum e.g. pupils apply cold pack, wipe, plaster where able to do so. Wash hands before / after treatment. Those administering first aid should wear PPE appropriate to the circumstances. Where the injury was significant and thus required close care for an extended period then it would be reasonable to provide PPE. See also 'provision of personal care' and 'Suspected case whilst working on site'. First aiders to be aware of advice on CPR from The Resuscitation Council https://www.resus.org.uk/media/statements/resuscitation-council-uk-statements-on-covid-19-coronavirus-cpr-and-resuscitation/covid-community/ First aid rooms can be very busy and are often small rooms. Schools should make arrangement for only one person being treated in the first aid room at a time and allocate another room / area as a waiting/collection area. If daily medication is administered from 1 st aid rooms then consider if this needs relocating to reduce demand on space.	Full PPE provided for first aiders	LG		
Provision of personal care	Staff, Students / pupils / wider contacts	Additional PPE in place if required e.g. for intimate care, to be risk assessed and to be based on nature of task and level of contact (e.g. disposable apron, gloves, fluid resistant surgical mask and if there is a risk of splashing to the eyes, coughing, spitting, vomiting then eye protection should be worn.)				

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
	Spread of COVID 19	Where a child falls ill with Coronavirus symptoms whilst on site (new continuous cough, high temperature cough or a loss of, or change, in your normal sense of taste or smell.) then school staff supervising the child while they await collection should wear PPE (a fluid resistant surgical mask) if a distance of 2m cannot be maintained. If direct care (such as for a very young child or a child with complex needs) is required then staff giving care to wear a fluid resistant surgical mask, disposable apron and gloves.	Full PPE available			
Emergency procedures (Fire alarm activations etc)	Staff, Students / pupils / wider contacts Spread of COVID 19	Emergency evacuations are to take place following social distancing principles as far as is reasonably practicable (this will be impacted during evacuation, but will be for short period). Maintain groups / bubbles at assembly points. Increased supervision and reiteration of messages to occupants	Normal safety drills to be carried out ensuring adherence to social distancing rules	JL		
Deliveries & Waste collection.	Staff, Students / pupils / wider contacts Spread of COVID 19	Do not approach delivery staff, allow packages to be left in a safe place. Hands are to be thoroughly washed after handling all deliveries or waste materials. Waste collections made when the minimum number of persons are on site (i.e. after normal opening hours).				
Premises safety	Staff, Students / pupils Wider safeguarding / safety risks	Ensure all 'normal' tasks / compliance checks are being carried out/planned such as fire alarm testing, legionella controls, servicing of equipment, PAT testing etc. Ensure all key services are operational Legionella Follow normal practices for re-opening after summer holiday period. i.e. where weekly flushing of outlets has not taken place then chlorination / flushing of whole system should take place. Ensure key fire doors are not being compromised / wedged open (those protected stairwells, cross corridor, on single directional routes etc.)	Usual safety checks are in place	JL/HN		
Lack of awareness of PHE / school controls	Staff, Students / pupils / wider contacts Spread of COVID 19	All staff consulted on plans and risk assessment. Posters will be displayed in the reception, welfare areas and in suitable places around site. Clear briefing for all personnel on site, warning them of the risks posed by the virus as well as the control measures outlined in this assessment and from government guidance.	Staff consulted on plans and RA Signage throughout centre Briefing conducted during Inset. Staff re-informed of control measures and
