

COVID RISK ASSESSMENT FOR SEPTEMBER 2020

- This risk assessment template is intended to support schools in their decision-making process and enable them to assess their site and activities as required by the current government guidance.
- This assessment is based on the expectations set out in the Government guidance for schools Guidance for full opening from Sept 2020 <https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/guidance-for-full-opening-schools> but must be adapted in order to give a clear narrative on the specific controls being put in place within your school to manage the risk from coronavirus.

As with other areas of risk school employers and leaders are required to reduce risk as far as is reasonably practicable, recognising that it is not possible to completely eliminate the risk of coronavirus.

- During this evolving situation please monitor and follow government guidance, further reviews and updates to the template will be made following any significant updates.
- In addition you should continue to review your controls and activities and update the risk assessment to reflect any changes in practice.

Notes on completion:

- This risk assessment should be completed by the Head and SLT in consultation with staff.

Consultation with employees is a legal duty and involving staff in the planning and assessment process will aid in your controls being adopted and in easing any anxiety amongst staff.

- Where you have a Union H&S representative then make sure you consult with them as part of the risk assessment process.
- You will need to review and tailor the contents of this generic risk assessment to meet your own individual circumstances, actions determined as required but not yet in place should be moved from the 'What are you already doing?' column to the "What further action is necessary?" column. Or alternative and equivalent control measures which you have put in place added.
- Ensure this document is made **specific** to your site. Record any other **significant** findings and actions required to reduce risk further where existing controls are insufficient, assigning these actions to an appropriate manager or member of staff.
- There may also be a requirement to review other existing work activity risk assessments for your school and amend these (if you have not already done so) to include the management of the risks associated with COVID-19.

Share the risk assessment

Once the assessment is completed **share** this with all staff, make sure that you brief all temporary staff, peripatetic and supply teachers, visiting coaches etc. on your expectations on managing risk.

- You may choose to publish the risk assessment on your website to provide a clear transparent approach to the wider school community.

Monitor and review

As the school returns continue to review how staff and students adopt to your controls, there will almost certainly be areas where the risk assessment will need review to reflect additional controls or risks which only became apparent as your operational activities and curriculum are delivered.

Review and tailor the contents of this generic risk assessment to meet your school's individual circumstances, actions determined as required but not yet in place should be moved from the 'What are you already doing?' column to the 'What further action is necessary?' column. Record any other **significant** findings and actions required to reduce risk further where existing controls are insufficient, assigning these actions to an appropriate manager or member of staff.

RISK ASSESSMENT FOR: School activities during COVID 19 outbreak - opening from September 2020		
Establishment:	Assessment by:	Date:
Risk assessment number/ref: <i>(add your own if so desired): RA-001</i>	Manager Approval:	Date:

Rev 1: updated template following issue of Government advice on July 2nd [Actions for schools during coronavirus outbreak'](#)

Rev 2: 16/07/20 updates to swimming pool section following confirmation of re-opening from 25th July, additional controls added to hire / lettings, some other minor changes;

Rev 3: 13/08/20 updated to take account in changes in national advice regarding face coverings

Rev 4: 01/09/20 updated following updated [DfE guidance on full opening](#) (28/8/20), [face coverings in education](#) (year 7 and above), testing kits and DfE guidance on [extra curricular activity](#)

Rev 5: 09/10/20 updated link to reporting of positive cases, use of NHS COVID-19 app and link to supplementary hire conditions added, updated Association of PE links added, changes from previous version highlighted in **yellow**.

Rev 6: 04/11/20 updated following revised DfE guidance (22/10/20) and [New national restrictions](#) from November 5th until 2nd December all changes from previous version **highlighted in green** (See also How New National Restrictions to control the spread of coronavirus (COVID-19) impact education, childcare and children's social care settings <https://www.gov.uk/guidance/education-and-childcare-settings-new-national-restrictions-from-5-november-2020>)

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
<p>Individual risk factors meaning staff / pupils more vulnerable to COVID-19</p>	<p>Staff, Students / pupils / wider contacts</p> <p>Spread of COVID 19</p>	<p>Shielding for those who are extremely clinically vulnerable paused on 1st August (subject to continued decline in transmission) and the Government will no longer be advising these individuals shield.</p> <p>Staff / students who previously were shielding able to return to school. School to discuss arrangements / concerns with individuals and provide assurance of controls in place. Individual risk assessments will be conducted where required to determine if additional measures are required.</p> <p>Some individuals under the care of specialist health professionals may need to discuss care at their next planned clinical appointment before returning. Those pupils unable to attend school because they are following clinical and/or Public Health advice (e.g. a letter from their consultant) will be provided with remote education.</p> <p>Existing individual health care plans in place for pupils/students to be reviewed.</p> <p>Clear message sent to parents that students should not be sent into school if unwell for both Covid-19 and any other illnesses/symptoms.</p> <p>Staff Wider government advice remains to work from home where possible. Limited school roles where this will be the case, roles which are able to do so effectively will be considered.</p> <p>Individuals classed as clinically vulnerable or extremely clinically vulnerable to have a risk assessment undertaken on their role and ability to maintain social distancing. Consider if these staff are able to work remotely or in areas / roles where maintaining social distancing is easier.</p> <p>Any existing individual risk assessments to be reviewed. See COVID-19: guidance on shielding and protecting people defined on medical grounds as extremely vulnerable for staff who are extremely clinically vulnerable new advice for those identified through letter form NHS was published on Oct 13th</p>	<p>During the New national restrictions Those children whose doctors have confirmed they are still clinically extremely vulnerable to be educated remotely and not attend education whilst the national restrictions are in place.</p> <p>Reviewed in line with new guidance</p> <p>Verbally shared with parents, reminders sent by email and website updated</p> <p>During the New national restrictions Those staff who are clinically extremely vulnerable to work from home and not to come into work during the period of national restrictions.</p> <p>If someone in this category cannot perform any work duties from home, then they should not attend the school site and should remain at home for the period of lockdown to 2nd December 2020.</p>	<p>SH/AMOS</p> <p>SLT/ADMIN</p>		

School occupants coming into contact with those with Coronavirus symptoms	Staff, Students / pupils / wider contacts	<p>School community clear on symptoms of coronavirus: a high temperature (37.8 deg C or more), a new continuous cough or a loss of, or change, in their normal sense of taste or smell.</p> <p>Stay at home: guidance for households with possible or confirmed coronavirus (COVID-19) infection followed.</p> <p>These expectations have been communicated to all.</p> <p>Arrangements in place to ensure symptomatic staff / pupils do not return until isolation period has passed or negative test result confirmed.</p> <p>No symptomatic individuals to present on site.</p> <p>In the event of a suspected case whilst working on site Ensure SLT / Head are notified.</p> <p>Individual goes home immediately (if awaiting collection by their parent, isolate child in a room behind a closed door, or an area at least 2m away from others, open a window for ventilation) and self-isolate.</p> <p>School staff supervising the child while they await collection should wear PPE (a fluid resistant surgical mask, type IIR) if a distance of 2m cannot be maintained. If direct care (such as for a very young child or a child with complex needs) is required then staff giving care to wear a fluid resistant surgical mask (type IIR), disposable apron and gloves.</p> <p>Clear message to parents that if a student is unwell at school they are to be sent home or collected immediately.</p> <p>Anyone who has had contact with those with symptoms to wash hands thoroughly. All areas occupied and equipment used by the affected person are to be thoroughly cleaned and disinfected (see PHE cleaning advice https://www.gov.uk/government/publications/covid-19-decontamination-in-non-healthcare-settings)</p> <p>Students / staff informed via NHS test and trace or the NHS COVID-19 App they have been in close contact with a positive case to self-isolate for 14 days. See https://www.nhs.uk/conditions/coronavirus-covid-19/testing-and-tracing/nhs-test-and-trace-if-youve-been-in-contact-with-a-person-who-has-coronavirus/</p> <p>Testing Staff / pupils who develop symptoms should be tested. Testing is most sensitive within 3 days of symptoms developing. Guidelines on who can get tested and how to arrange for a test can be found in the COVID-19: getting tested guidance.</p>	<p>Staff reminded at INSET day, regular email correspondence sent from Headteacher and SBM. Posters up around centre.</p> <p>Staff reminded to stay home if they are displaying symptoms and contact the Headteacher</p> <p>KS3 community room used as isolation room for students waiting to be collected</p> <p>Full PPE provided. A 2m distance will be maintained</p> <p>Guidance sent via email and on the centre website</p> <p>Reminder posters throughout centre</p> <p>Cleaning box in each classroom and office</p> <p>DN to be informed</p> <p>Guidance on centre website.</p>	<p>DN/HN</p> <p>DN</p> <p>LG</p> <p>Admin Team</p> <p>HN</p> <p>LG</p> <p>All staff</p> <p>ES</p> <p>HN</p>	<p>Weekly</p> <p>Ongoing</p> <p>Summer term</p> <p>September</p> <p>Immediately</p> <p>Ongoing</p>	
--	---	---	---	---	--	--

		<p>Tests can be booked online through the NHS website https://www.nhs.uk/conditions/coronavirus-covid-19/testing-and-tracing/ Direct link is https://self-referral.test-for-coronavirus.service.gov.uk/antigen/name or call 119 if they have no internet access.</p> <p>From 26th August schools will be provided with 10 home testing kits which can be provided in the exceptional circumstance that you believe an individual may have barriers to accessing testing elsewhere. See https://www.gov.uk/government/publications/coronavirus-covid-19-home-test-kits-for-schools-and-fe-providers. Kits are not be given directly to children, only to adults over the age of 18 or a child's parent or carer.</p> <p>Positive case in school In the event of a positive case report to HCC via COVID.EYSEducation@hertfordshire.gov.uk See COVID-19 flowchart for schools http://www.intra.thegrid.org.uk/info/coronavirus/key_documents.shtml HCC Public Health will work through a risk assessment to identify close contacts and assist with action in response to a positive case.</p>	<p>Testing kits available in the centre and SBM attended webinar on safe use</p> <p>Staff and pupils who are tested for Covid-19 to inform the school of result and date of test: covid@stevenage-esc.herts.sch.uk</p> <p>From 16th Sept more kits can be ordered via https://request-testing.test-for-coronavirus.service.gov.uk/</p>	<p>HN</p> <p>DN/HN/Admin</p>

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
<p>General Transmission of COVID-19</p> <p>Ineffective hygiene protocols</p>	<p>Staff, Students / pupils / wider contacts</p> <p>Spread of COVID 19</p>	<p>Welfare facilities are provided which contain suitable levels of soap and paper towels. All persons to wash hands with soap regularly and thoroughly, for at least 20 seconds. Hand washing technique to be adopted as directed by NHS guidance posters in place to reinforce this.</p> <p>Alcohol hand sanitiser used to reduce congestion at toilets / where soap and water is not available. Review existing levels / location of hand sanitiser stations.</p> <p>Alcohol hand sanitiser provided at reception / entrance/exit points; student entrance /reception and should be used by all persons when entering/leaving.</p> <p>Additional hand sanitiser within classrooms where required e.g. for Early years children returning from the toilet where hand washing will not be as robust. Build use into routines staff and pupil routines e.g. on arrival, when returning from breaks, when changing rooms, before / after eating.</p> <p>Site staff to regularly clean the hand washing facilities and check consumables. Provide suitable and sufficient rubbish bins for hand towels with regular removal and disposal.</p> <p>Ensure adequate supplies of soap, hand sanitiser and paper towels and these should be securely stored.</p> <p>Catch it, kill it, bin it message reinforced. Tissues will be provided for classrooms. Staff to replenish as needed. Staff / students to use tissues when coughing or sneezing and then place the used tissue in the bin before washing hands. (lidded bins in classrooms / other locations for disposal of tissues and other waste)</p> <p>All persons are reminded to not touch their eyes, nose or mouth if their hands are not clean.</p>	<p>Stocks replenished daily</p> <p>Staff and students to wash hands upon arrival and throughout the day</p> <p>All staff provided with sanitiser and available in every classroom</p> <p>Available and monitored by reception staff</p> <p>Sanitiser and wipes available in every classroom</p> <p>Cleaning schedule provided to staff with areas of responsibility</p> <p>Replenished regularly</p> <p>Banner in reception. Posters displayed throughout centre. Tissues in classrooms and community areas</p>	<p>LG</p> <p>All staff</p> <p>LG</p> <p>Admin team</p> <p>LG</p> <p>All staff</p> <p>LG</p>	<p>Daily</p> <p>Daily</p> <p>Daily</p> <p>Daily</p> <p>Ongoing</p>	
<p>General Transmission of COVID-19</p> <p>Ineffective cleaning</p>	<p>Staff, Students / pupils / wider contacts</p> <p>Spread of COVID 19</p>	<p>Documented cleaning schedule in place.</p> <p>Enhanced cleaning schedule implemented throughout the site during school day, ensuring that frequent contact points, e.g. door handles, taps, flush handles, toilet door handles, table / desktops, bannisters, telephones, keyboards etc. are all cleaned and disinfected regularly.</p>				

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
		<p>Shared areas and rooms that are used by different groups will require more frequent cleaning / cleaning between groups.</p> <p>Where toilets are shared between different groups these must be cleaned regularly (focus on high contact surfaces) and the importance of thorough hand washing reinforced.</p> <p>Cleaning materials (e.g. disinfectant spray / wipes) available to staff. Manufacturer's instructions for dilution, application, PPE and contact times for all detergents and disinfectants to be followed.</p> <p>Only cleaning products supplied by the school / contract cleaners are to be used. School to obtain the risk assessment from contract cleaning staff for assurance on social distancing measures and their schedule / methods for cleaning the school site.</p> <p>Thorough cleaning of rooms at the end of the day.</p> <p>In the event of a suspected case / confirmed positive case on site For disinfection (e.g. following a suspected case) use a combined detergent disinfectant solution at a dilution of 1000 parts per million (ppm) available chlorine (av.cl.) or a neutral purpose detergent followed by disinfection (1000 ppm av.cl.). See PHE advice COVID-19: cleaning of non-healthcare settings guidance</p> <p>When cleaning a contaminated area: Cleaning staff to:</p> <ul style="list-style-type: none"> • Wear disposable gloves and apron • Wear a fluid resistant surgical mask (Type IIR) if splashing likely • Hands should be washed with soap and water for 20 seconds after all PPE has been removed. <p>PPE to be double-bagged, then stored securely for 72 hours then thrown away in the regular rubbish after cleaning is finished.</p> <p>Any cloths and mop heads used must be disposed of as single use items.</p>	<p>Cleaning scheduled produced for staff</p> <p>Cleaning materials and PPE available throughout centre and regularly replenished</p> <p>RA submitted by Minster Cleaning</p> <p>Thorough cleaning routine provided daily</p> <p>Full PPE equipment available</p>	<p>All staff and cleaning team</p> <p>LG</p> <p>HN</p> <p>Minster Cleaning</p> <p>LG</p>	<p>Daily</p> <p>Monitored daily</p> <p>Daily</p>	

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
<p>General Transmission of COVID-19</p> <p>Minimising contact and Maintenance of social distancing</p>	<p>Staff, Students / pupils / wider contacts</p> <p>Spread of COVID 19</p>	<p>Bubbles/ Groups: Determine the nature and size of your distinct groups (bubbles) and document the approach being taken i.e. class bubbles, year group bubbles etc. (these should be as small as practicable to reduce transmission risk whilst delivering the full curriculum).</p> <p>Groups to remain clear and consistent. Document how these groups will be kept apart from others.</p> <p>Limiting interaction between groups by: Staggering breaks and lunch; Minimise rooms / spaces being shared across groups; Cleaning shared spaces between use by different groups e.g. canteen, school library etc.;</p> <p>No groups are coming together for assemblies, events / school fairs, school trips etc. Wider assemblies / collective worship conducted via video link. Continue to use social distancing wherever possible (more emphasis on this is likely with older children).</p> <p>Where staff move across groups (bubbles) hands to be washed / sanitised before and after and social distancing (2m) to be maintained from other staff and adults as far as is reasonable.</p> <p><i>"It is strong public health advice that staff in secondary schools maintain distance from their pupils, staying at the front of the class, and away from their colleagues where possible. Ideally, adults should maintain 2 metre distance from each other, and from children"</i></p> <p>Ideally the teaching space / workstation should be 2m from pupils. (where this is within 1m then change layout / increase space at the front of the class to attain at least 1m+).</p> <p>Keep space at front of class for SLT to enter and be present whilst maintaining social distancing.</p> <p>All staff to avoid close face to face contact and minimise time spent within 1 metre of anyone.</p> <p>Primary to remain in class groups for the majority of the time. Pupils sitting side by side rather than face to face.</p>	<p>Ongoing monitoring of movement around school and ability of groups to remain apart.</p> <p>Each 'POD' to have break in classroom supervised by 2 staff members</p> <p>Students 'PODS' in different areas of the centre. Each room sanitised before next POD enters School trips are not permitted</p> <p>All staff have a PPE pack which includes hand sanitiser.</p> <p>Furniture set up in rooms to allow for 2m distancing</p> <p>Face visors available if the need for one-to-one arises</p>	<p>LG</p>		

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
		<p>Determine if face coverings for visitors and staff are required due to social distancing not being able to be maintained in communal areas, including staffrooms. Those wearing face coverings should clean hands before and after touching – including to remove or put them on – and store them in individual, sealable plastic bags between use.</p> <p>DfE guidance states these will not be necessary in the classroom even where social distancing is not possible due to the use of consistent groups / bubbles, and greater scope for physical distancing by staff within classrooms.</p> <p>Secondary Zone school assigning groups to different areas. Groups to keep to their zoned area as far as possible, movement only to specialist rooms where necessary. Teachers move between classes wherever possible.</p> <p>Staggered timetable to keep groups apart and minimise contact at lesson change. Timetable specialist rooms to keep groups apart. SLT supervise corridor / communal areas during changeover to facilitate. Use of a one-way system where practical</p> <p>Face coverings: Schools teaching Yr 7 and above: determine if face coverings for students, visitors and staff are required due to social distancing not being able to be maintained in communal areas. Those wearing face coverings should clean hands before and after touching – including to remove or put them on – and store them in individual, sealable plastic bags between use.</p> <p>DfE guidance states these will not be necessary in the classroom even where social distancing is not possible due to the use of consistent groups / bubbles, and greater scope for physical distancing by staff within classrooms. (see also Stairs / corridors)</p> <p>New guidance on face coverings in Education was released on 26th August and in schools teaching Yr 7 and above in the event of moving into a local COVID alert level of High or very High they should be worn by both adults (staff and visitors) and students when moving around in communal areas and corridors where social distancing is difficult to maintain.</p>	<p>Visitors, staff and students to wear face coverings in communal areas and walking between key stages</p> <p>Staggered finish times implemented throughout centre Clubs limited to small numbers to allow for social distancing</p> <p>Visitors, staff and students to wear face coverings in communal areas and walking between buildings</p> <p>Face coverings to be worn by the whole community in communal areas whilst still maintaining social distancing</p>			

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
		<p>The use of face coverings does not replace social distancing, good hand washing and hygiene protocols. Where staff choose to wear a face covering they should be supported to do so.</p> <p>Extra-curricular clubs determine if these are essential and ensure delivery replicates school groups / bubbles.</p> <p>Hiring and lettings risk assessments on delivery required from providers, suspend if controls are not as robust as the school's. Supplementary conditions of hire in place See http://www.thegrid.org.uk/info/healthandsafety/documents_manual/covid-19_supplementary_hire_considerations_2020.pdf?1</p> <p>Social distancing (ideally 2m, 1m+ only with mitigation) must be maintained. Agree your maximum occupancy based on the room size and nature of activities (static vs a range of movement). Review hirers activity against relevant Government guidance and any existing restrictions.</p> <p>Room layouts and areas able to be accessed are agreed and additional furniture is not used by hirers Time of hire avoids any unnecessary mixing with members of the school community and access is arranged to avoid such contact. Welfare facilities are cleaned before / after use by hirers and adequate supplies of soap/water, paper towels, hand sanitiser etc. are provided. Consider how well ventilated the hired space is and if this can be improved, for example by opening windows / doors where appropriate. Is any additional signage for hired spaces to remind users on social distancing, hand washing etc.</p> <p>All areas used, particularly touch surfaces are cleaned before / after use / before occupation by school. School equipment should ideally not be used by hirers, if it is it must be thoroughly cleaned after use -or left in 'quarantine' for 72 hours before being used by the school / other users.</p>	<p>Further DfE guidance on music delivery expected</p> <p>PE department issued with clearing products. All equipment cleaned after each use</p> <p>Students kept in groups for lessons, breaks and lunch</p> <p>All students sanitise hands before and after sport</p> <p>All rooms have a cleaning kit</p>	<p>LG/JA/ME</p> <p>JA/ME</p> <p>All staff</p>		

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
		<p>Record should be kept of all visitors / lead booker (maintained for 21 days) to aid track and trace. In the event of a subsequent positive case returned by a hirer / member of a 3rd party group ensure there is a process in place to notify the school.</p> <p>Schools to decide if the NHS QR code poster and check in function is to be used for members of the public when premises are let to external providers. Schools and FE providers are not expected to create NHS QR code posters for their normal day to day operations.</p> <p>Breakfast and afterschool clubs – risk assessments on delivery required from providers, suspend if controls are not as robust as the schools. See protective measures for holiday and after school clubs, and other out of school settings which recommend a max 15 children per group (multiple groups can use the same space, only if there is robust social distancing between groups)</p> <p>Provision should, where possible, replicate the groups (bubbles) in place during the school day to minimise potential transmission between the school's groups. Review space / layout and occupancy to determine if children from different groups can maintain social distancing (2m between children from different groups). Where this is not possible keep the before / after school groups consistent to reduce mixing.</p> <p>Offsite visits No overnight or overseas visits to be run.</p>	<p>Record of visitors held which includes contact number, date and time of visit</p> <p>QR code available for scanning in the front office and on banner</p>	Admin		

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
		<p>Any visits run will keep children within their consistent group. Re-assurance of COVID-secure measures in place at the destination to be undertaken as part of usual planning and offsite visit risk assessment.</p> <p>Face coverings From Saturday 8 August, Government guidance changed and members of the public are required to wear a face covering inside a wider list of indoor settings such as libraries, museums, galleries, visitor attractions etc. unless they have a legitimate reason for not wearing one. See full list here https://www.gov.uk/government/publications/face-coverings-when-to-wear-one-and-how-to-make-your-own/face-coverings-when-to-wear-one-and-how-to-make-your-own Staff and pupils should comply with expected requirements when visiting such venues.</p> <p>Music-dance and drama Social distancing to be observed. This may limit group numbers. Keep background / accompanying music to levels which do not encourage teachers or other performers to raise their voices unduly. If possible use microphones, avoid sharing these. Clean equipment before / after use and between users / groups.</p>	<p>.No visits scheduled to run.</p> <p>During the New national restrictions</p> <p>In schools where pupils in year 7 and above are educated, face coverings are to be worn by adults and pupils when moving around the premises, outside of classrooms, such as in corridors and communal areas where social distancing cannot easily be maintained</p>			

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
		<p>Singing and wind / brass instruments Cumulative aerosol transmission from both those performing in and attending events is likely to create risk. Consider if small groups in music lessons can take place outside / or indoors with improved ventilation E.g. through the use of mechanical systems and/or opening windows and doors. Limit group size in relation to space, use larger rooms with high ceilings.</p> <p>In line with the advice for out of school provision a maximum group size of 15 is still recommended (no larger school choirs / ensembles etc.) <i>Larger groups would need schools to undertake a specific risk assessment and demonstrate robust controls e.g. large spaces, strict social distancing and good ventilation (min of 10l/s/person for all present)</i></p> <p>Ensure 2m physical distancing for both staff and pupils (if 2m is not viable further robust risk mitigation will be needed- screens, 'moisture guard' covers for mouth blown instruments and good ventilation.) Use microphones. Sing / play quietly to reduce aerosol risk. Pupils should be positioned back-to-back or side-to-side when playing or singing and not facing each other. Position wind and brass players so that the air from their instrument does not blow into another player. No sharing of wind / brass instruments.</p> <p>Additional guidance and supplementary risk assessment on music lessons in school has been produced by Herts Music service. http://www.hertsmusicservice.org.uk/schools-covid-update</p> <p>PE / school sport PE subject lead / head of PE to review existing risk assessments and schemes of work to include management of COVID-19 risks. Schools must only provide team sports listed on the return to recreational team sport framework.</p>	<p>During the New national restrictions extra-curricular activities /clubs only continue where they are reasonably necessary to support parents to work, search for work, or undertake training or education, or where the provision is being used for the purposes of respite care</p> <p>All hirings / lettings reviewed and suspended in line with national advice and restrictions. (sports clubs, dance, swimming, social groups etc.) https://www.gov.uk/guidance/new-national-restrictions-from-5-november</p>			

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
		<p>Pupils to be kept in consistent groups, sports equipment to be thoroughly cleaned between each use by different groups, and contact sports limited. (The AfPE's position is still that contact between students should be avoided in PE, where some element of contact is permitted this should be limited with social distancing in place for other parts of the lesson).</p> <p>Where National Governing Bodies have approved guidance which permits contact (FA etc.) lessons must be operated in line with that NGB guidance. https://www.gov.uk/government/publications/coronavirus-covid-19-guidance-on-phased-return-of-sport-and-recreation/guidance-for-providers-of-outdoor-facilities-on-the-phased-return-of-sport-and-recreation.</p> <p>https://www.gov.uk/government/publications/coronavirus-covid-19-guidance-on-phased-return-of-sport-and-recreation/return-to-recreational-team-sport-framework</p> <p>Multiple groups not permitted to use PE / outdoor equipment simultaneously Sharing of equipment during PE is limited.</p> <p>Outdoor sports prioritised where possible, and large indoor spaces used where not, maximising distancing between pupils and natural ventilation. Build in time for handwashing / sanitising before / after lesson. See advice and FAQ's from Association for Physical Education, (Revised 29/9/20). AfPE have also published a model risk assessment for PE.</p> <p>Fixtures against other schools: AfPE are still advising against school fixtures due to contact / transmission risks across schools.</p>	<p>During the New national restrictions</p> <p>Breakfast / afterschool clubs only continue where they are reasonably necessary to support parents to work, search for work, or undertake training or education, or where the provision is being used for the purposes of respite care</p> <p>During the New national restrictions No matches between other schools in line</p>			

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
			with the wider restrictions on grassroots sport.			
Access to & egress from site	Staff, Students / pupils / wider contacts Spread of COVID 19	<p>Introduce staggered start and finish times to reduce congestion and contact at all times. Review access points, open up alternative gates. Allocate groups different times / entrance points. Communicate changes and allocated times to parents / pupils.</p> <p>Staff on duty to monitor arrival / departure and site access points to facilitate social distancing – may need to change the number of access points, either increase to reduce congestion or decrease to enable monitoring.</p> <p>Discourage parents picking up their children from gathering at the school gates. Introduce visual aids to help parents socially distance / supervise entry and collection. Introduce floor markings to aid social distancing (e.g. tape or survey spray) where controlled queuing will be expected. Communicate expectations to parents.</p> <p>Consider one-way traffic through external doors to avoid face to face passing.</p> <p>Visitors Ensure all visitors / building users are aware of school's expectations. They must follow social distancing, hand washing / use of sanitiser on entry and adhere to any restrictions on accessing parts of the building stipulated by the school. Parents instructed only to come onto premises by appointment or in event of an emergency Volunteers, temporary / supply staff, sports coaches and other providers are briefed on school's arrangements for managing and minimising risk, including the need to maintain distance (2m where possible) from other staff and pupils.</p> <p>Where visits can happen outside of school hours, they should.</p>	<p>Finish times staggered across year groups Access points cleaned regularly</p> <p>Signage throughout centre to maintain social distancing</p> <p>Fob entry to gain access to site; monitored by reception staff</p> <p>RA shared with visitors. Handwashing and sanitizing on entry to the centre and throughout visit</p>	Admin team		

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
		<p>A record should be kept of all visitors or the lead member for a group e.g. a hiring (records maintained for 21 days) to aid track and trace. (Name, contact phone number, date of visit arrival / departure time) Signage in reception regarding good hygiene. Use of Perspex screens for open receptions and tape / visual markers to reinforce social distancing (2 m where possible)</p> <p>Staff / pupils On arrival all staff and students to wash hands using nearest available toilet or use the sanitiser provided at their point of entry.</p>	<p>Phone numbers taken from all visitors and kept for two weeks Signage and floor markings throughout the centre</p> <p>Hands washed/sanitized and temperatures taken</p>			
<p>Contact points Equipment use printers, workstations, apparatus, machinery etc.</p>	<p>Staff, Students / pupils / wider contacts</p> <p>Spread of COVID 19</p>	<p>Parents to ensure children have their own water bottles in school to reduce contact with 'face to tap' water fountains.</p> <p>Regularly clean and disinfect common contact surfaces in reception, office, access control etc. (screens, telephone handsets, desks).</p> <p>Staff and pupils have their own basic equipment (pens, pencils etc.) to avoid sharing.</p> <p>Activities and resources Classroom resources which are shared within groups (bubbles) are cleaned regularly. Those shared across groups must be cleaned between use.</p> <p>Minimise all unnecessary sharing of resources, taking books home etc.</p> <p>For secondary science and DT also consider CLEAPPS advice (GL343 & GL 344) for suggested considerations in undertaking practical work.</p> <p>Use of shared resources between groups to be minimised, resources allocated to individual groups where possible. Otherwise all resources shared across groups (sports ,art ,science equipment etc.) must be cleaned before / after use e.g. library books, chrome books, laptops, I pads, PE equipment etc.) or 'quarantined' and left unused (for 48 hrs, 72 hours for plastic) before being used by another group (bubble).</p> <p>Where equipment is quarantined ensure this is clearly labelled with day used / next day available for use.</p> <p>Build cleaning into end of lesson activity routines.</p>	<p>Disposable cups being used</p> <p>Every room has a cleaning pack and is sanitized after each lesson or regular intervals throughout the day Student packs provided</p> <p>Antibacterial wipes in every classroom and office</p> <p>Contact areas and resources cleaned at the end of every lesson</p> <p>Antibacterial wipes in every classroom and office</p>	<p>All staff</p> <p>All staff</p> <p>Teaching staff</p> <p>All staff</p>		

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
		<p>electronic means (Microsoft Teams etc.)</p> <p>Staff rooms Review occupancy levels and layout to facilitate social distancing Set maximum occupancy, staff to stagger use to enable distancing.</p> <p>Stairs / corridors Minimise groups (bubbles) transitioning at the same time to ensure brief contact. (passing briefly in circulation spaces is a low risk) Implement one-way system (where possible e.g. multiple routes / stairs) Stagger use and numbers using circulation spaces at the same time. Avoiding multiple groups queuing in same shared areas/ narrow corridors etc Pupils queuing e.g. for entry into labs will need supervision and floor markings to aid distancing.</p> <p>Changing rooms Reduce numbers needing to use by allowing pupils to wear PE kit to school.</p> <p>Introduce enhanced cleaning of all facilities throughout the day and at the end of each day. Clean all contact surfaces between use by different groups.</p> <p>Provide suitable and sufficient rubbish bins in these areas with regular removal and disposal.</p> <p>Break / Playgrounds Avoid any group activities that require pupils to be in close physical contact with each other. Limit group interaction by clearly zoning areas and staggering breaks. Use playing fields when weather permits. Brief all staff on expectations. Increased supervision to aid enforcement of social distancing as far as is reasonable. Outdoor play equipment to be cleaned between use by different groups or left for period of 48 hrs (72 hrs for plastic) between use by different groups. Pupils should wash / sanitise their hands before and after use.</p> <p>Swimming pools (see also changing rooms and hire) Swimming pools (including school pools) were able to open from July 25th following a relaxation in Government restrictions. Follow PWTAG and Swim England advice on reopening school pools. Review swimming pool risk assessment and operating procedures. Pupil use is consistent with their groups.</p> <p>See</p>	<p>Restricted to 4 staff per visit</p> <p>Contact areas cleaned regularly throughout the day</p>	<p>All staff</p> <p>All staff</p>

		https://atacp.csp.org.uk/documents/atacp-recommendations-safe-aquatic-physiotherapy-practice-relation-covid-19-pandemic-0	<p>During the New national restrictions All Swimming pool hirings / lettings suspended in line with national advice and restrictions</p> <p>https://www.gov.uk/guidance/new-national-restrictions-from-5-november</p>			
Canteen use / lunchtimes	<p>Staff, Students / pupils / wider contacts</p> <p>Spread of COVID 19</p>	<p>Break times staggered to reduce congestion and contact between groups. Rota for use of dining areas</p> <p>Reinforce handwashing prior to eating food. Hand sanitiser should be available at the entrance of any room where people eat and should be used by all persons when entering and leaving the area.</p> <p>Canteen use Food operators continue to follow Food Standard Agency's (FSA) guidance on good hygiene practices in food preparation and their Hazard Analysis and Critical Control Point (HACCP) processes.</p> <p>Pupils to enter canteens in their allocated groups.</p>	<p>Break times to be held in classrooms</p> <p>Handwashing facilities and sanitizer available throughout the centre</p>			

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
		<p>Discuss provision and delivery with Catering provider. Consider change to meal provision, delivery of lunches to groups in classes etc. <i>(This could include a change in menu provision, amount of drinks and food in chillers and how to avoid touching neighbouring products, merits of self-service v service by catering staff. An increase in pre-prepared and wrapped food to reduce use of crockery, utensils etc.)</i></p> <p>Payments should be taken by contactless methods wherever possible. (Risks from fingerprint contact payment considered low if handwashing / sanitizing is enforced).</p> <p>Drinking water should be provided with enhanced cleaning measures of the tap mechanism introduced.</p> <p>All rubbish and waste should be put straight in the bin by the user and not left for someone else to clear up.</p> <p>All areas used for eating must be thoroughly cleaned between groups and at the end of each break and shift, including chairs, door handles, vending machines etc.</p>				
Transport / Travel off site	<p>Staff, Students / pupils / wider contacts</p> <p>Spread of COVID 19</p>	<p>Encourage walking / cycling to school Review travel plan Risk assessment of the school's transport provider been seen and the school consulted on it.</p> <p>Public transport All persons to limit their use of public transport and if this is not possible individuals should follow government advice on the wearing of face coverings. (mandated from 15th June) Guidance on how to wear and make a cloth face covering is available. (children and young people aged 11 and over to wear a face covering when travelling on dedicated transport.) Where business travel via car is required use private single occupancy where possible. Wash / sanitise hands on re-entering the building.</p> <p>Minibus use Used by those within same school group / bubble, reduce numbers on board to aid distancing. Vehicles to be cleaned after each group's use / between drivers etc. (sanitiser / disinfectant wipes to be available on the vehicle).</p>	<p>Students travelling by taxi wear face coverings</p> <p>Banner in reception with a reminder to sanitise hands</p> <p>Minibus not being used</p>			

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
		<p>Regular cleaning of vehicle contact points (handles, keys, display and controls etc.) – in-particular where vehicles are shared between drivers / groups.</p> <p>Use hand sanitizer on entering / leaving vehicle.</p> <p>Windows to be open for ventilation.</p> <p>Staff to wear disposable gloves when refueling.</p>				
Contractors	<p>Contractors, Staff, Students / pupils / wider contacts,</p> <p>Spread of COVID 19</p>	<p>School and any on site contractors (Catering, cleaning, FM provider etc.) to co-operate and share risk assessments.</p> <p>All contractors will read and comply with signs in reception regarding good hygiene.</p> <p>Staff and contractors are to maintain a safe distance between themselves and others (2 metres where practical).</p> <p>All contractors are to wash their hands or use alcohol-based hand sanitiser upon entering the site.</p> <p>Agree approach to scheduled / ongoing building works.</p> <p>Where works can be conducted outside of the school day they should be.</p> <p>Site inductions are to be carried out following social distancing principles.</p> <p>School to seek confirmation of the contractors method statement / risk assessment.</p>				
Provision of first aid	<p>Staff, Students / pupils / wider contacts</p> <p>Spread of COVID 19</p>	<p>It is accepted that social distancing cannot be maintained during the delivery of first aid, but physical contact should be kept to a minimum e.g. pupils apply cold pack, wipe, plaster where able to do so.</p> <p>Wash hands before / after treatment.</p> <p>Those administering first aid should wear PPE appropriate to the circumstances. Where the injury was significant and thus required close care for an extended period then it would be reasonable to provide PPE.</p> <p>See also 'provision of personal care' and 'Suspected case whilst working on site'.</p> <p>First aiders to be aware of advice on CPR from The Resuscitation Council https://www.resus.org.uk/media/statements/resuscitation-council-uk-statements-on-covid-19-coronavirus-cpr-and-resuscitation/covid-community/</p> <p>First aid rooms can be very busy and are often small rooms. Schools should make arrangement for only one person being treated in the first aid room at a time and allocate another room / area as a waiting/collection area.</p> <p>If daily medication is administered from 1st aid rooms then consider if this needs relocating to reduce demand on space.</p>	<p>Full PPE provided for first aiders</p>	<p>LG</p>		

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
Provision of personal care	Staff, Students / pupils / wider contacts Spread of COVID 19	Additional PPE in place if required e.g. for intimate care, to be risk assessed and to be based on nature of task and level of contact (e.g. disposable apron, gloves, fluid resistant surgical mask (type IIR) and if there is a risk of splashing to the eyes e.g. coughing, spitting, vomiting then eye protection should be worn.) Where a child falls ill with Coronavirus symptoms whilst on site (new continuous cough, high temperature cough or a loss of, or change, in your normal sense of taste or smell.) then school staff supervising the child while they await collection should wear PPE (a fluid resistant surgical mask) if a distance of 2m cannot be maintained. If direct care (such as for a very young child or a child with complex needs) is required then staff giving care to wear a fluid resistant surgical mask, disposable apron and gloves.	Full PPE available			
Emergency procedures (Fire alarm activations etc)	Staff, Students / pupils / wider contacts Spread of COVID 19	Emergency evacuations are to take place following social distancing principles as far as is reasonably practicable (this will be impacted during evacuation, but will be for short period). Maintain groups / bubbles at assembly points. Increased supervision and reiteration of messages to occupants	Normal safety drills to be carried out ensuring adherence to social distancing rules	JL		
Deliveries & Waste collection.	Staff, Students / pupils / wider contacts Spread of COVID 19	Do not approach delivery staff, allow packages to be left in a safe place. Hands are to be thoroughly washed after handling all deliveries or waste materials. Waste collections made when the minimum number of persons are on site (i.e. after normal opening hours).		JL/HN		
Premises safety	Staff, Students / pupils Wider safeguarding / safety risks	Ensure all 'normal' tasks / compliance checks are being carried out/planned such as fire alarm testing, legionella controls, servicing of equipment, PAT testing etc. Ensure all key services are operational Legionella Follow normal practices for re-opening after summer holiday period. i.e. where weekly flushing of outlets has not taken place then chlorination / flushing of whole system should take place. Ensure key fire doors are not being compromised / wedged open (those protected stairwells, cross corridor, on single directional routes etc.)	Usual safety checks are in place			

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
Lack of awareness of PHE / school controls	Staff, Students / pupils / wider contacts Spread of COVID 19	All staff consulted on plans and risk assessment. Parents/ carers and pupils informed of measures in place to protect them Posters will be displayed in the reception, welfare areas and in suitable places around site. Clear briefing for all personnel on site, warning them of the risks posed by the virus as well as the control measures outlined in this assessment and from government guidance. Volunteers, peripatetic, temporary / supply staff, sports coaches and other providers are briefed on school's arrangements for managing and minimising risk, including need to maintain distance (2m where possible) from other staff and pupils.	Staff consulted on plans and RA Signage throughout centre Briefing conducted during Inset. Staff re-informed of control measures and information and guidance cascaded when available RA and safety guidance available on centre RA and shared with visitors prior to coming to the centre
